

### An Open Letter to College Coaches

To Our Future Coaches:

We are Kole & Hunter Steele, and we will graduate with the class of 2026 at Galena High School in Reno, Nevada. We have competed at the Club & Middle School divisions over the last four years, and we are very excited about our upcoming High School careers. We are interested in learning more about your Track & Cross Country Programs and the possibility of competing for you and your university.

We are looking for a program where we can balance our dedication to our athletic pursuits with our preparation for our future careers.

We are strong Middle and Long Distance Runners. Some of our key accomplishments to date include competing in the USATF National Junior Olympic Championships in both Track and Cross Country events, breaking (and holding) school, meet, and league records at our Middle Schools, and holding the XC Championship Course Record in our League.
